Home sweet home horror game guide pdf free

Sweet home game. Home sweet home horror game walkthrough.

The long-awaited Nintendo Switch installment of the acclaimed Animal Crossing series is finally here — and it couldn't have come at a more perfect time. Photo Courtesy: Thatgamecompany via PlayStation/YouTube The music, which was composed by Austin Wintory, responds to the player's actions and builds to a single theme that feels mimetic of the game's emotional arc. Available on: iOS, Windows Phone & Android 10. Enter Tetris Effect, which takes its name from a real-world phenomenon wherein players' brains are so riveted by the iconic "Tetrimino" blocks that they actually linger in players' vision, thoughts and dreams. Photo Courtesy: Unity via IGN/YouTube While we love a good game of Crash Bandicoot or Temple Run, they're undoubtedly stressful, which is why Alto's Adventure (and the sequel Alto's Odyssey) makes our list. Inspired by the minimalist nature of Japanese wood-block prints, Monument Valley is a real feast for the eyes (and ears!). If you would like a visual on where to find it please jump to 53:15 of the linked video walkthrough for directions. Hide in the box Acquire Cherry's ID card from her locker instead of making one. Baozi Delivery Feed the Preta and escape back to the real world Story related. Translation: If you're sheltering in place, you can get your everyday fix here. At first, small objects like candy and thumb tacks stick to the katamari, but, as you progress, you roll up increasingly larger things, like people and furniture, into your sphere of junk. Where it is not the end yet. Somewhere it should belong to Collect a part of ripped photos See Cursed. But, if you haven't, consider this an official recommendation to pick up the best-seller, Animal Crossing: New Horizons Unless you've been living under a rock (along with some iron nuggets), you've likely already contributed to Animal Crossing: New Horizons' staggering 22 million units sold over the last four months. When the lift is working, go to floor 4, and go through the first door on the right, in a big puddle of blood. Who could ask for more? Make your way through these 2 spirit filled rooms until you can take a right from the corridor into the locker room. Photo Courtesy: Giant Squid Studios via IGN/YouTube Inspired by the game director's love of scuba diving, Sumerian mythology and cosmic ocean motifs, Abzû has a very distinct feel. Performing tricks is fun and satisfying, making this game the perfect handheld blend of Tony Hawk's Pro Skater-meets-spa day. Photo Courtesy: Cardboard Computer/Annapurna Interactive/IMDb The magical realist adventure game centers on a truck driver named Conway, who's making his final delivery to an address that exists along The Zero — a secret highway running through the caves beneath Kentucky. In Animal Crossing, you play as a human character who moves to a new town — in the case of New Horizons, your character moves to a deserted island at the invitation of series regular Tom Nook, a raccoon "entrepreneur." While exploring the island, you collect items, furnish your home and build a community alongside anthropomorphic animals. Taking place in 1989, the game centers on Henry, a man who takes a job as a fire lookout in Shoshone National Forest in the wake of his wife's early onset dementia diagnosis. Always feed him because you do not want to displease him! Obtained in Chapter 3. Much like a play, it's split into five acts, and each is punctuated by interstitials that reveal the world's larger backstory and add to the sense that the game is not just a work of art, but a work of art interested in exploring the very nature of storytelling. The Legend of Zelda: Breath of the Wild Hey, listen — The Legend of Zelda: Breath of the Wild still places you firmly in the boots of a hero-in-training, but this game departs from the series' long-running linear-style narrative and returns to the franchise's open-world roots. Those mazes are constructed from a series of optical illusions and seeming impossibilities, so it's up to you to manipulate the world around the princess in order to conquer the mazes. Your only source of human contact comes in the form of Delliiah, your fellow lookout and supervisor who's only reachable via walkie-talkie. Roadmap: Step 1: Play through the game Trophy-wise, you just have to get to the end of the game, you have unlimited lives and the games auto-saves are never too far away so you are not heavily punished for your deaths...They decided the mild heart attacks were enough! Any collectibles or miscellaneous trophies can easily be grabbed at the end of the game via chapter select. "[It's] a mechanically simple game, but a pleasurable one," Eurogamer stated in their review. (you will need to grab a key, to open a cabinet to get to the incense). Try Monument Valley 2. Our only lovely home... Everything should end here. Story related and cannot be missed. Will automatically unlock at the beginning of Chapter 2. What sets Kentucky Route Zero apart, however, is its atmosphere — and its poetry. You'll be earning these trophies: Hide and seek Wake up baby Somewhere it should belong to Baozi Delivery Paperwork Love means something Cursed She belongs to me I will find my place Wherever you go Hide in the box Video Walkthrough: Trophy Guide: I will find my place Collect all Jane's diary. While this practice helps mitigate the spread of coronavirus, flattens the curve and ensures that hospitals won't become overwhelmed in the near future, being isolated from friends, family and your daily routine can take a toll on your mental health. All of these mental puzzles are set up by the mysterious Aperture Science Enrichment Center's supercomputer GLADOS, who tosses a few new elements, from tractor beams and lasers, into the gameplay. Cursed Collect all the collectable items There are 49 collectibles - 15 diaries and 34 items. Any you have missed can easily be grabbed via chapter select at the end, where it will also tell you if you have found them all for that chapter or how many you are missing. Now just run up to the table underneath the monster, place the items, and after the cut-scene your trophy will unlock. Bright, colorful and full-on weird in the best way, Katamari Damacy tells the story of a young prince who must rebuild the stars and moon after his father, the King of All Cosmos, destroys them in a drunken stupor. The key card will be on the locker next to the lockers in a pool of blood. Journey In Journey, you control a robed figure who is traveling a vast desert, nearing a mountain that looms off in the distance. A door will not open until you read a note on the table next to it, which gives you instructions on how to feed Preta and pass the next area. The score was nominated for a Grammy — a first in video game history — and the game earned five BAFTAs for its audiovisual splendor. Photo Courtesy: Nintendo/IMDb For those who are new to the series, here's a quick rundown. Backed by a sorsene soundtrack, the game centers on a snowboarder who's coasting along through an ethereal atmosphere. Soon enough, strange things start happening to Henry, and he and Delliiah work to unravel an ever-growing conspiracy. You need Matches Dumpling Incense. Photo Courtesy: Namco via Nintendo/YouTube In order to recreate those stars, you roll a magic, super-adhesive ball, or katamari, around various locales. Abzû Abzû tells the story of a deep-sea diver who journeys through the ocean and, thanks to a magical spring, restores underwater life. Available on: Nintendo Switch, PlayStation 2 & 33. To exit wait for a screwdriver to drop and pick it up, and exit through the boards on the side. Story related and cannot be missed. Will automatically unlock upon completion of the game, at the end of chapter 7. As you can see, every ounce of this cel-shaded world is gorgeous. Available on: PlayStation 4, Xbox One, Nintendo Switch & Windows 6. They are hiding spots that look like large brown pots. When you first have to blow out 3 candles, there will be one of these dragons jars right next the final third candle in the back room of the bedroom. Available on: PlayStation 3, Xbox 360, Windows, OS X & Linux 2. You can meet other players on your journey, but you cannot communicate with words — just a musical chime, which has the power to transform dull cloth into a shade of vibrant red. All collectibles remain registered even if you die, so they only ever need to be picked up once. Monument Valley In this indie puzzle game, you lead Princess Ida through a series of mazes. Wherever you go Finish the outro. Meanwhile, said character continuously moves through the level, leaving no time to pause. In the next room will be a giant monster peering over you, underneath him a table, where you will place the 3 retrieved items. Think again. Congratulations you survived the horror! Hide and seek Hide in the Dragon's Jar. Once you have completed the game, you need to go to chapter select, and replay the first 10 minutes of chapter 5, to grab this alternate key card and trophy. The other is slightly more hidden in a dark bathroom just before it. Photo Courtesy: Cardboard Computer/Annapurna Interactive In practicing social distancing, you're putting the health and safety of others, especially folks who are elderly, immunosuppressed or immunocompromised, before your own desire to be social. Although this impressively beautiful, BAFTA-winning game may have a short run time, nothing beats the pocket of handheld serenity it provides. It takes cues from choose-your-own-adventure novels as well as some of the earliest narrative-driven video games from the '70s and '80s, including the first-known work of interactive fiction, Colossal Cave Adventure. Both key cards cannot be obtained in the same playthrough. Tetris Effect If you're familiar with the original 1980s version of the tile-matching puzzle game, then you might be baffled as to how Tetris and its frenetic music fit in with the "relaxing" part of our list. Available on: Nintendo Switch & WiiU Advertiser Disclosure: When you purchase through links on our site, we may earn an affiliate commission. Available on: Windows, iOS, PlayStation 3 & 41. Available on: iOS, Android, Kindle Fire & Linux 8. Wake up baby Escape to the house. Long story short, this epic lets you blow off steam with a lance and climb mountains for hours just so you can enjoy some astonishing vistas. Photo Courtesy: Resonair via PlayStation/YouTube Tetris Effect finds inspiration in this sense of immersion and augments it. Love means something Witness the final tragic moment of Belle and Shane. Bizarre, heavily stylized and not interested in reality in the slightest, Katamari Damacy is a near-perfect, addictive escape for gamers of all skill levels. Kentucky Route Zero Developed by Cardboard Computer and published by Annapurna Interactive, Kentucky Route Zero is a point-and-click adventure game. All those split-second decisions can end in frustration, especially for newcomers to the genre. From this corridor the machine to make your own key card will be in the far left room. The code will always be the same, so input: 183476 enter. Then your new card is ready to be picked up, and your trophy will unlock. The original Portal, which was just tossed into a compilation of games called The Orange Box, was a surprise runaway success, prompting Valve to create a standalone sequel. The tradition of some Thai's Ghost Movie. From relaxing life simulators to breathtaking action-adventure quests, these titles all present unique, immersive worlds that are worth the visit. 11. Since then, the third-person puzzle-action game has been rereleased on PS3 and on the Nintendo Switch. The game transports you to neon-lit oceans and the far reaches of star-riddled space, but, as Eurogamer puts it, this dreamier take on Tetris is a "genuinely inspiring and uplifting experience." Available on: PlayStation 4, PlayStation VR & Windows 9. Katamari Damacy Back in 2004, Namco released Katamari Damacy — which translates to "clump of souls" — on the PlayStation 2. Breath of the Wild encourages players to take their time and explore the breathtaking world around them. Tense, unsettling, funny and relaxing — the woods evoke so much in this character-driven game about self-imposed isolation. Although you'll square off against enemies with your sword, bow and other armaments, the game isn't combat-driven. As is the case with previous entries in the series, New Horizons is a nonlinear life simulation game that you play in real time. Photo Courtesy: Valve/IMDb Like the original, this entry asks players to solve puzzles by placing portals around the "test chamber" environments so that they may teleport between them. MORE FROM ASK.COM Level Up: Finished it too quickly? Ah, the simple life. Everything from the three-dimensional backdrops to Tetris playing pieces reacts to how you play, making this an audiovisual experience like no other. Photo Courtesy: Nintendo/IMDb With its incredible attention to detail and multi-faceted innovations when it comes to open-world design, Breath of the Wild has already been hailed as one of the greatest games of all time. If you would like a visual please jump to 1:51:46 of the linked video walkthrough for directions. In chapter 5, when the lift is working go to floor 2, turn left and go through the door at the end. Alto's Adventure & Alto's Odyssey In an infinite-runner game, your goal is to dodge obstacles — which will otherwise instantly K.O. your character. If you would like a visual please jump to 1:05:43 of the linked video walkthrough above to see where both the jars are. See the video guide linked above and use the timestamps to find any you may have missed. Collectables breakdown so you know what to expect. Chapter 1 - 0 Diaries, 6 items. This installment is the first of a series, a horror game set in a twisted labyrinth where you will find yourself hunted by vengeful evil spirits. Available on: PlayStation 4, Nintendo Switch, Xbox One, Windows, OS X, Linux 5. Paperwork Successfully create your own ID card instead of finding one. This mechanic also impacts the world around you and adds to the game's progression. Often called one of the greatest video games of all time, Journey has a relentless beauty that's easy to get lost in — and those startlingly emotional moments are a real bonus. Available on: PlayStation 4, Nintendo Switch, Xbox One, Windows, OS X & Linux 4. See Cursed. Sounds straightforward, right? Photo Courtesy: Campo Santo, Ltd./IMDb At first, you explore the beautiful scenery, scrambling up rock faces and hiking through the pine forest. Available on: Nintendo Switch 7. Better yet, experimentation is encouraged. When the going gets rough, there's nothing like getting lost in a video game. Filled with mysterious characters, Kentucky Route Zero pulls you into its strange, somber world. Photo Courtesy: Ustwo Games/YouTube The scant bit of narrative behind the game is that Princess Ida is on a journey to be forgiven for something, so it's the M.C. Escher-esque look of the puzzles that pulls the player along. Thanks to its dark humor, fun mechanics and great voice cast, Portal 2 has been dubbed one of the greatest games of all time. Firewatch First-person adventure game Firewatch is part-relaxing and part-thrilling — a potentially perfect mix when you're stuck inside. From the entrance the Matches will be underneath a table. The dumping is on the opposite side of the room next to some candles. A key for the cabinet is just to the side of the dumping at the bottom of a bookshelf by some candles. Another key for the cabinet is in the center of the room near some candles. Now go to the back room of this area where you will find the cabinet which will contain the incense. Sure, the game's camera can be occasionally wonky and the story isn't super rich, but you'll be charmed by the colorful, fish-filled world. It has a dark narrative inspired by Thai myths and beliefs that will captivate you and leave your pulse pounding with fear! There are no weapons, you must use stealth and investigative skills to survive and uncover the dark and sinister secrets of this place... It is no longer the happy home that it once was. Story related and cannot be missed. Will automatically unlock near the end of chapter 5. Portal 2 Developed by Valve, the folks behind Half-Life and Team Fortress, puzzle-platformer Portal 2 is arguably their best title. She belongs to me Collect all parts of ripped photos See Cursed. The environments range from sea caverns and ancient ruins to coral gardens and sunlit swathes of open water. There are 2 dragons jars in chapter 5. There are 7 chapters and if you go to the chapter select screen it will show you how many collectibles you have found so far per chapter.
